

13th US-CHINA OIL & GAS INDUSTRY FORUM (OGIF)

Final Agenda

Venue: Shaanxi Guesthouse, Xi'an, Shaanxi, China

Sept. 24

- ALL DAY Registration
- 12:00 – 13:00 Buffet Lunch (B1 Floor Banquet Hall Two)
- 13:00 – 17:30 Site Visit at Shaanxi Yanchang Oil Company and Cultural Visit to Terracotta Warriors
- 12:50 Gather in hotel lobby
- 13:00 Depart hotel for Yanchang Oil Company
- 13:20 Arrive at Yanchang Oil Company
- 13:30 – 14:30 Presentation by Yanchang Oil Company
- 14:30 – 15:30 Drive to Terracotta Warriors from Yanchang
- 15:30 – 17:00 Visit Terracotta Warriors
- 18:00 Arrive at Shaanxi Hotel
- 18:30 – 20:00 Welcome Dinner (Casual dinner, buffet)
- 20:00 – 21:00 US Industry meeting (2nd Floor, 2-8 Meeting Room)
- ### Sept. 25
- 7:30 – 8:00 U.S. Companies/USEA preview Sept. 25 PPTs before OGIF opening
- 7:30 – 8:30 U.S. Government and Chinese Government Senior Officials' Meeting (B1 Floor Peony Room)
- 8:30 – 9:30 U.S. Government & U.S. Company Senior VIP Meeting with Chinese Government and Chinese Industry (2nd Floor, 2-8 Meeting Room)
- 9:30 – 10:30 U.S. & Chinese Government Senior Officials' Opening Remarks and Desired Goals for the Thirteenth OGIF
- 9:30 – 9:40 ZHANG Yuqing
Deputy Administrator of NEA
- 9:40 – 9:50 Gary Locke
U.S. Ambassador to the People's Republic of China

- 9:50 – 10:00 Christopher Smith
Acting Assistant Secretary for Fossil Energy
U.S. Department of Energy
- 10:00 – 10:10 Coffee & Tea Break
- Session 1: Oil**
Session Chair: Deputy Director General YANG Lei – NEA
- 10:10 – 10:35 **Gudao Oil field EOR Pilot Experiment on Pattern Modification and Heterogeneous Combination Flooding System after Polymer Flood**
SINOPEC
- 10:35 – 11:00 **Challenges and Development Strategies of Oil and Gas Resources from Sinochem’s Perspective**
Sinochem
- 11:00 – 11:40 **Deepwater Exploration and Deepwater Service**
CNOOC
COSL
COOEC
- 11:40 – 12:05 **Tight Oil: Exploring Success in Shale**
Zhiyong Zhao, Vice President
Hess China
- 12:05 – 12:15 Question & Answer Period
- 12:15 – 13:00 Lunch (B1 Floor Banquet Hall 2)
- Session 2: Natural Gas – Infrastructure to Market**
Session Chair: Chandra Brown, Deputy Assistant Secretary for Manufacturing, U.S. Department of Commerce
- 14:00 – 14:25 **Accelerating Adoption of Natural Gas Fueling Infrastructure**
Miao Jiang, Product Leader, Unconventional Solutions, China
GE
- 14:25 – 14:50 **Infrastructure Facilities and Commercialization of Natural Gas**
CNPC

- 14:50 – 15:15 **Shale Gas Treatment Challenges and Requirements**
Hanbing Ding, Senior Sales Leader, Gas Processing and Hydrogen
UOP, a Honeywell Company
- 15:15 – 15:40 **ENN’s Commercialization Practice and Share on Natural Gas Industry
Chain**
ENN
- 15:40 – 16:05 Question & Answer Period
- 16:05 – 16:20 Coffee & Tea Break
- Session 3: Environment and Economic Benefits**
Session Chair: Bob Cekuta, Principal Deputy Assistant Secretary,
Energy Resources Bureau, U.S. Department of State
- 16:20 – 16:45 **Water, Precious Water – Technologies for Water Reduction, Reuse, and
Recycling**
James Wang, Technical Professional, Multi-chem
Halliburton
- 16:45 – 17:10 **Application of Jereh’s Hydraulic Fracturing Equipment during Shale Gas
Exploration**
Jereh Oil Field Service Group
- 17:10 – 17:35 **Economic Impacts of the Shale Revolution in North America**
Mark Nelson, Vice President of Commercial and Communications
ConocoPhillips China
- 17:35 – 18:00 Question & Answer Period
- 18:30 – 20:00 Dinner (B1 Floor Banquet Room 2)
- Sept. 26**
- 7:30 – 8:20 Breakfast (B1 Floor Banquet Hall 2)
- 7:30 – 8:00 U.S. Companies/USEA preview Sept. 26 PPTs before OGIF opening
- 8:20 – 8:30 Call to Order
- Chandra Brown, Deputy Assistant Secretary for Manufacturing
U.S. Department of Commerce

Director General LIU Deshun - NEA

8:30 – 8:55 Lead-in presentation to Session 4:
Shale Plays – The New Paradigms on Exploring, Risking and Special Skill Sets Required to Evaluate Them
Lynn M. Strickland, Vice President, Asia Pacific, Russia Caspian Exploration
ConocoPhillips

**Session 4: Unconventional Natural Gas (Shale Gas/Tight Gas/CBM)
- Reservoir Characterization, Drilling & Completion, Field Development**

Session Chair: Director General LIU Deshun - NEA

8:55 – 9:20 **High Permeability Discoveries Essential to a Robust CBM Sector**
Robert Hockert, China Country Manager
Far East Energy

9:20 – 9:45 **CBM Exploration and Technology Development**
CUCBM

9:45 – 10:10 **Geologic Factors Associated with Successful Shale Gas Plays**
David Waldo, Lead Professional, Gaffney Cline Associates Singapore
Baker Hughes

10:10 – 10:20 Coffee & Tea Break

10:20 – 10:45 **Intelligent Well Placement Based on Sweet Spot Identification**
Fanhui Bu, Onshore Operations Manager – Strategic Business
Development
Baker Hughes

10:45-11:10 **China’s Terrestrial Shale Gas Development**
Shaanxi YanChang Oil Group

11:10 – 11:35 **A Holistic Workflow for Evaluating and Developing SRR - Cypher**
Joe Dumensil, Geology and Petrophysics – China Unconventional Tech
Team Leader
Halliburton

11:35 – 12:00 Question & Answer Period

12:00

U.S. & Chinese Government Senior Officials' Closing Remarks

ZHANG Yuqing, Deputy Administrator, NEA

Bob Cekuta, Principal Deputy Assistant Secretary, Energy Resources
Bureau

U.S. Department of State

Christopher Smith, Acting Assistant Secretary for Fossil Energy

U.S. Department of Energy
